Astrological Event: New Moon in Sagittarius 2023

1. If time and money were no object, how would you choose to spend your time making the world a better place, in a way that you enjoyed?

2. Let yourself be optimistic and dream big, and then answer: what is your vision for your life and work in 2024?

3. What is one step you are willing to take in 2024 to bring the above to life? Write it down and add it to your calendar.
